

Ken and Stephanie Akselsen, Athletes in Action. We thank the Lord for His faithfulness and enabling power over the past 13 years. Thank you to the body of Christ that has prayed for us and financially supported this gospel work. To God be the glory.

We praise the Lord for a fruitful summer of ministry, June- August.

1. The expanding church partnership outreach soccer camp ministry throughout NJ and the US. Thousands of kids and parents heard the gospel.
2. We led three missions trips: Dayton Ohio, mainly ministering to the African refugee population, Peekskill New York, working mainly with the Hispanic community, and Montenegro (Europe) working alongside Camp Monty and Intervarsity. The teams were unified and effective.

Current and future ministry.

1. Following up with all churches and outreach events.
2. Administrative details and financials to make sure we are operating as good stewards.
3. Planning for future camps and missions trips.
4. Working with the AIA NJ team on various outreach events during the year.
5. Working with the AIA National team on training churches in effective sports ministry, locally and internationally.
6. Team member on the “Jesus Loves You Ball” project. This is a soccer ball that is being produced that has QR codes on the ball and works with the Jesus film ministry. This will help get the gospel to children all around the world.
7. Speaking opportunities in churches, universities, high schools, sports teams, etc.
